broken tradition

For the class of '75 it was a combina-
tion of old and new... an era that fea-
tured: the "Southern Belle Beauty Pag-
eant" (September 21); then a victorious
homecoming inspired by stuffing floats and
painting banners (October 7-11); and the
annual carnival (December 14). A year with
changes; broken tradition—May 23 slated
as the final day of school for "seniors
only." An extra week of freedom highligh-
ted by prom and banquet (May 24). And then
a big May 29—cap and gown day.
